Dear Parents and Carers,

As part of your child's Read Write Inc. phonics journey, your child is bringing home a **My Set 1 Speed Sounds Book**. This is an additional resource designed to support and reinforce the sounds they are learning in school.

The book contains all of the Set 1 sounds that your child has been taught in class. Each page shows the letter on one side and the picture mnemonic on the other, helping children to remember the sound and form a strong connection between the letter and its pronunciation. There is also space for your child to practise writing each letter and a short phrase to remind them how the letter is formed.

We encourage you to spend a few minutes each day looking through the sounds that your child has already learned. Regular, little-and-often practice helps children to become more confident and fluent readers and writers. Please remember to use the pure sounds when practising (for example, "m" not "muh") as this supports correct blending and reading.

To help with pronunciation, Read Write Inc. provides excellent video support for parents. These can be accessed through:

- [Oxford Owl](#)
- [Ruth Miskin Training](#)

The sounds book will travel between school and home and the date will be added to each page as new sounds are taught so that you can easily see which sounds your child is ready to practise at home. Please do not skip ahead and only practice the sounds that are dated.

Thank you for your continued support. Working together makes a huge difference to your child's confidence and progress in reading. If you have any questions about phonics or how to use the book, please do not hesitate to speak to a member of the Reception team.

Kind regards,

Miss Haworth
