

Lanivet School

Modern Foreign Languages

September 2019

At Lanivet Primary School, we focus primarily on French throughout Key Stage 2. We believe that it is important that the children gain experiences of other languages as the benefits of learning another language are numerous. We aim to heighten the children's awareness and interest through the teaching of various topics throughout the school year. Cultural events, such as Chinese New Year, are also celebrated which supports this ethos.

Aims

The national curriculum for languages aims to ensure that all pupils:

- understand and respond to spoken and written language from a variety of authentic sources.
- speak with increasing confidence, fluency and spontaneity, finding ways of communicating what they want to say, including through discussion and asking questions, and continually improving the accuracy of their pronunciation and intonation.
- can write at varying length, for different purposes and audiences, using the variety of grammatical structures that they have learnt.
- discover and develop an appreciation of a range of writing in the language studied.

Key Stage 2 Objectives

Pupils should be taught to:

- listen attentively to spoken language and show understanding by joining in and responding.
- explore the patterns and sounds of language through songs and rhymes and link the spelling, sound and meaning of words.
- engage in conversations; ask and answer questions; express opinions and respond to those of others; seek clarification and help.
- speak in sentences, using familiar vocabulary, phrases and basic language structures.
- develop accurate pronunciation and intonation so that others understand when they are reading aloud or using familiar words and phrases.
- present ideas and information orally to a range of audiences.
- read carefully and show understanding of words, phrases and simple writing.
- appreciate stories, songs, poems and rhymes in the language.
- broaden their vocabulary and develop their ability to understand new words that are introduced into familiar written material, including through using a dictionary.
- write phrases from memory, and adapt these to create new sentences, to express ideas clearly.
- describe people, places, things and actions orally and in writing.
